# SUNSET

A man in a blue and black fishing suit and sunglasses is fishing in a shallow body of water. He is holding a fishing rod with a reel. The background shows a sandy beach and a line of trees under a clear blue sky.

## SUNSET 2025, A RICHER COLLECTION THAN EVER!

We have worked tirelessly to offer you a maximum of new products and a significant renewal of the range! The fiberglass rods have been redesigned and now each has its own visual identity. The squid rods and lures have undergone a real overhaul in terms of look and action, all at ultra-competitive prices!

The ranges of rods for bream fishing and surfcasting have been completely redesigned: new, more efficient blanks and more refined cosmetics. The new colours of Bad Gambas, the new Oppai Ika Hanta, and Shin Ika squid jigs enrich the already extensive squid range! Discover our products on our website and follow our news on social media!
